PREFACE

"*Aviyukt samaj sevi sansthan*" believes in itself as "a place to serve the people". It is a non profitable and non- governmental organization conceptualized by like-minded professional from different segments of the society who have pledged for the upliftement and empowerment of rural society particularly for the socially and economically vulnerable, in the year 2023 and Registered under Indian Society Registration Act 1973. The organization is also registered under exempted under Income Tax Act under section 12A and 80G. Gradually *Aviyukt samaj sevi sansthan* has risen as a prime and lead association in the part of ranch based job for poor and characteristic asset administration, followed by a constant and steady working towards the objective of social transformative change by empowering women and support to the disadvantage or vulnerable group of the community, so as to address the issue of Health, Nutrition, Water & Sanitation.

Aviyukt samaj sevi sansthan continues to make efforts for the betterment of the marginalized, deprived, vulnerable and ignored sections of society by giving them a platform through its creative programs and various need based and context specific activities for the Health, Economic, Social, Cultural, Educational and Environmental Development. It believes in the dignity of people and enhancing their capacity to overcome their own problems. It works with the deprived and the most vulnerable in their struggle against poverty, and injustice.

***Vision*……**

To create a just and equitable society where every individual has access to education, healthcare, and opportunities for dignified living.

Mission…….

- *To empower marginalized communities through education and vocational training*
- *To improve access to quality healthcare and sanitation in rural areas*
- *To promote women's rights and economic self-reliance*
- *To foster awareness on environmental sustainability and climate action*
- *To facilitate social inclusion for people with disabilities and the elderly*

Objectives:

1. To support and create awareness on Health, Nutrition, Sanitation and Hygiene related issues.
2. Provide technical support on health issues to frontline workers and Mgt level.
3. To empower women and girls and organize them towards collective action

4. To work towards addressing the immediate poverty need of the poorest & marginalized community groups
5. To address the basic needs of the people such as health, education, water & sanitation
6. To empower community people so that they can assert their rights & entitlements
7. To work for protection, conservation and management of land, forest and water resources
8. To support small & marginalized community groups towards sustainable agriculture practices
9. To create awareness about health issues among women & adolescents
10. To empower poor and marginalized community groups to cope up with natural calamities
11. To create awareness about HIV / AIDS and work with positive people for their dignity & self respect
12. To enhance livelihood opportunity for the poorest community groups with focus on Trebles and Dalits and women.
13. Create awareness and thoughtfully functioning on Water Resource Management

Key activities:
